

CLK (w208) 'Motorsport' Edition bodykit

As standard, the CLK is too plain for our tastes hence we recommend you take a look at our 'Motorsport' bodykit. Front, rear bumpers, side-skirts along with our Weltmeister re complete a novel design package compared to other CLK body-kits.

Does your CLK pre-date the 2003 model? No problem - we can offer you a 2003 face-lift with our CL Hood & Grille update.
